

Confirmation Worship Notes

Student Name & Grade: _____

Scriptures Read:

What was your favorite hymn or song and why? Did you notice any connections between the music and the scriptures or sermon? If so, what were they?

What were your “highs and lows” this week? How are you doing right now?

Who are you worshipping with this morning? Are you worshipping in person or virtually?

What have you heard or seen in the world this week that makes you reflect on or ask questions about God or your faith?

Listen carefully -- note 3 big points of the sermon:

1.

How can your teacher and church community pray for you this week?

2.

3.

What connections can you make between this worship time and what you’ve learned in confirmation? This may be about worship itself, the sermon, lesson, etc.

Who read the lesson?

How was communion offered?

How many people do you think are in worship today (either in person, online, or both)?
