Come and Worship...Come and Serve...Come and Learn...Come as you are
...Philip said to him, "Come and see" John 1:46

March 2021

**Lenten Wednesday Worship
Online and In-Person at 7:00 pm**

**Palm Sunday
March 28**

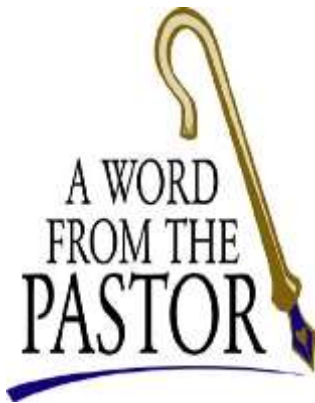

**First Communion Classes
March 13 and 20**

Preschool Registration Has Begun

**Garage and Plant Sale
Scheduled for August 7**

As he came near and saw the city, he wept over it, saying, "If you, even you, had only recognized on this day the things that make for peace! But now they are hidden from your eyes."

Luke 19:41-42

Before Jesus entered Jerusalem, he paused for a moment to weep. God had sent so many prophets before him. All of them were rejected, stoned or killed. Still, God never gave up. God continued to love his people and to send them messengers who called the people to repentance and a new life.

The Old Testament is a collection of thirty-nine books in which God's steadfast love for Israel and the world is recorded. Since we started using the Narrative Lectionary, every September we start in Genesis and preach our way through the Old Testament. Most every week we could see examples of people who turned away from God, but God still loved them. People rejected and rebelled against God, and yet God still loved them. Nothing that they did stopped God from loving them or altered God's love for them.

The history of the Christian church carries a similar message. The church, at times, has not been very Christian. Instead of peace it brought war. Rather than love it preached racism, sexism, elitism, and nationalism. Through the high points and the low points, though, God's love for God's people never wavered.

Most of us can see the same steadfast love in God's relationship with us. There have been times when we have been extremely close to God and at other times we have wandered and strayed. God's love for us never varied through it all. And God's love never will change.

Such steadfast is a part of God's kingdom and a part of our lives. We're not in for the easy ride; we're in for the long haul. Woody Allen once said that ninety percent of success is just showing up. We are Christians who keep showing up, keep demonstrating our love for others, who keep loving even when there

is no response or when our love is rejected. Love is a constant sign of God's kingdom.

We also acknowledge that we keep messing up and needing forgiveness. We acknowledge that there are times when we grieve our Lord and must remember our baptisms and give thanks that Jesus never gives up on us. Although repentance is a daily activity, this gift is a special focus throughout our liturgical Lenten season.

Jesus entered Jerusalem on a colt—a beast of burden. Jesus knew his kingdom was built on the cross and was experienced in humility, service and perseverance. So, we will continue to pray. In humility, we will continue to serve, and we will be steadfast and persistent even and especially during this time of pandemic. We are the church and it is Jesus Christ who empowers us to never give up when the going gets tough. Because such is the kingdom of God. Thanks be to God.

Your Servant in Christ,

Pastor Geier

- AMONG OUR OWN -

Congratulations to...

Russell and Michelle Sobiech on their 10th wedding anniversary on March 14.

Dean and Lori Wurgler on their 25th wedding anniversary on March 20.

Dennis and Elvina Harder on their 58th wedding anniversary on March 23.

Norm and Lenora Holtorf on their 70th wedding anniversary on March 30.

Preschool Chatter

Thank You!

Wow! it is so hard to believe we are already into March. While this school year has been anything but "normal" it has been pretty awesome. Our children have been able to be in school learning and playing with other kids. This is truly a blessing for not only them but our staff. To see the world through a child's eye is a reminder from God to look for the beauty and good each day!

Our February fun including learning about kindness and love while celebrating Valentine's Day, stories written by Jan Brett, and ways to have healthy bodies and teeth. Of course a highlight was when we celebrated Valentine's Day with a party that included games, passing out valentines, a special movie, and crafts. Our bible story this month was about love and how much Jesus loves us. We talked about the story in which Jesus said "Let the little children come to me".

Registration for next school year is in full swing. We will have M/W/F and T/Th, and the option of M-F morning classes 9 am-12 pm. Forms can be found on the preschool tab of the church website or on the welcome center. If you or your family, neighbors, or friends have a preschooler, invite them to join us for the 2021-2022 school year. If you have any questions about registration please feel free to call or email Becky or Lorelei at preschool@splchasting.org.

*Becky Kaphing and Lorelei Rein
Preschool Co-Directors*

My heart is filled with love and thanks for my St. Philip's family. The support you have shown to Jeff and me in ways of food, cards, phone calls, flowers and prayers is unparalleled.

I'm currently on track to complete my infusions for stage 1 pancreatic cancer on March 15 followed by surgery on April 20. The support of many has gotten me this far, I ask that you continue to keep both of us in your prayers.

You are loved by many, especially me!

Lynn Lucas

Thank you from Pat and I for the love, comfort and support you generously gave to us during Pat's hospitalization in January and February. Your texts, emails, cards, blankets and even a hot meal helped to ease the loneliness during the 26 days it took for his healing and return home. We are doing well and are thankful that God worked through the medical staff to bring about Pat's recovery.

Lisa Bergert and Pat Cornell

The Stewardship Team would like to express their thanks. The year 2020, will go down in history as America's Covid-19 year. It was the year every aspect of our lives had to be lived differently.

Pastor Geier expressed his thanks and appreciation to us a number of times.

The Stewardship Team, works behind the scenes watching, praying and finding ways to both cultivate and show appreciation to the congregation throughout the year. We could see things were going well, and we thanked God for it.

Feel the continued thanks of St. Philip's staff, its volunteer committees, and its governing council for what you did to support your congregation's ability to finish 2020 totally solvent and fiscally strong as it addresses the year ahead.

Stewardship Team Chair, Glenda Schnirring, and members Gerry Cardinal, Jeannie Evans, Gerri Lundby, Dan Strehlow, Al Todnem and Sam Willis

MARCH SUNDAY SCRIPTURE READINGS

March 7	Luke 15:1-32 Lost Sheep, Coin, Son
March 14	Luke 16:19-31 Rich Man and Lazarus
March 21	Luke 18:31-19:10 Zacchaeus
March 28 Palm Sunday	Luke 19:29-44 Triumphal Entry

LET'S TALK ABOUT CELEBRATING FIRST COMMUNION!

Is your child asking about Holy Communion? Last year we had several families with children who were excited to learn about and celebrate receiving this sacrament and then our world went off the rails in March and all of our in-person gatherings were suspended.

This year we are trying to get things back on track in our ministry together. Often children receive their first communion sometimes between 1st and 5th grade, but there is not a set age. Every person grows in faith in different ways and at St. Philip's parents take an active role in discerning when it would be best for their children to participate in this part of our life together.

There will be two classes for children and their parents on March 13 and 20 from 9:00-11:00 am. During these times Pastor Geier will lead families in talking about the gift of Holy Communion and its place in our faith life. These classes are designed to be family time for all ages. Because we are still living in a time of pandemic, we will continue to practice safe distancing and mask wearing.

- Saturday, March 13, 9:00-11:00 am: Introduction – "A Place for You!"
- Saturday, March 20, 9:00-11:00 am: Closing and Banners
- Thursday, April 1, 7:00 pm: Maundy Thursday Worship with celebration of first communion

If you have questions or concerns or would like to sign up for classes, please contact Pastor Geier or the church office.

FAITH FORMATION OPPORTUNITIES

I don't think I can overstate how valuable the Faith Formation Team has been over the past year. Whether they are planning programming, helping figure out how to adapt to Covid-19, or implementing ways to best support families, they are truly a group of superstars! If you are passionate about the faith formation of the kids in our St. Philip's community, we would love to have you join this team. This is open to any confirmed member of St. Philip's! If you are interested or have any questions, please email Sarah Bennett at sarahb@splchastings.org.

THE ST. PHILIP'S EASTER WINDOW DISPLAY!

We are asking our St. Philip's kids and preschool students to color a coloring page to display in our window for everyone to enjoy! If you received a Lent activity bag, the coloring page was included. If you did not receive an activity bag but would like to add a coloring page to our Easter display, please email Sarah at sarahb@splchastings.org or pick up a copy at the Welcome Center!

WEDNESDAY LENTEN WORSHIP IN MARCH

Wednesday Lenten worship continues with online and in-person service (with Covid-19 protocols) Wednesday evenings at 7:00 pm. The Sanctuary Choir will be singing Holden Evening Prayer and we continue our walk with the Peter, this faithful, fallible, follower of Jesus.

February 24
March 3
March 10
March 17
March 24

Peter's Pride
Peter's Complacency
Peter's Misunderstanding
Peter Keeping a Distance
Peter's Denial

EASTER GARDEN

We will have tulips in the sanctuary on Easter Sunday to enhance our worship in celebration of Christ's resurrection. Donations made toward the cost are welcome. Please put your donation in an envelope labeled "Easter Garden" and insert in the drop box by the office door or mail checks to St. Philip's Lutheran Church. Thank you.

The Worship and Music Ministry Team

2021 ST. PHILIP'S GARAGE AND PLANT SALE!

Saturday, August 7 is the date for St. Philip's 2021 Garage and Plant Sale. Covid-19 practices in force on this date will be maintained. (Any unforeseen setback in Covid-19's advance would cause the Sale's cancellation).

Our customary "June Sale" would have been too early. Waiting two months, (until August) gives more people an opportunity to be immunized.

The SPLC Garage and Plant Sale has proven to unite members in a wonderful way. Almost 100 adult members give their time during the week before the Sale, bringing goods and staging each department. People who did not know one another before, become lasting friends. All SPLC members are invited to join in the fun and the reward of the Garage and Plant Sale's unique ministry.

An organizational meeting will be announced in late spring. Volunteers will come together to learn about this year's event's details. Looking forward to coming together again!

Deborah Dreher
Lead Coordinator

A QUICK NOTE ABOUT SUNDAY SCHOOL... Since schools in Hastings are opening back up, we will be considering having in-person Sunday school again. We are still following all safety guidelines from the CDC and state of Minnesota. We will keep you updated on details about this!

COLUMBARIUM UPDATE

For the past year, a team has been in the planning stages of building a columbarium on the east side of St. Philip's property. A columbarium is a structure with niches (compartments) to hold the ashes of our loved ones. A contract has been signed with a Minnesota-based company, Eickhof Columbaria, to build the 80-unit structure. We anticipate delivery late this spring. The team is waiting on bids for landscaping and concrete work, and hope to make a final decision on those vendors soon. Presales started in December with three levels of pricing depending on the row of the niche selected. So far, seven niches have been leased.

A table has been set up in the narthex with our proposed rendering, niche sample, and sell sheets. The sell sheet is on page 11 in this newsletter. For those who are interested in leasing a niche, an application folder is also available on the table. Let us know if you prefer to have the folder US mailed to you. Please return applications, along with payment, to the church office during business hours or via US Mail. For more information, feel free to call Gary McDougall at 651-216-7213 or Judy Hansen at 612-600-1209.

MEALS ON WHEELS DRIVERS NEEDED

Hastings Family Service are in need for drivers to deliver meals to our friends in Hastings. The St. Philip's contact is Mary Rock if you have any questions, 651-261-0112.

LOOKING WAY AHEAD...

St. Philip's will again be hosting the Bloodmobile on Thursday, August 26. We will need volunteers for blood donations and assistance with participants for check in, canteen, etc. More information for sign up will come in the summer. Thanks to Katy Lindberg for spearheading this for us again this year.

2021 ST. PHILIP'S ANNUAL MEETING CONVENED HYBRID STYLE

On Sunday, February 4 at 10:30 am, St. Philip's conducted its annual business meeting with 70 voting members on Zoom (virtually) and 38 sitting masked and socially distanced in the church's sanctuary. The 108 voting members more than made up the necessary quorum.

A 2021 budget of \$568,038 was unanimously approved. This compares to actual expenditures for 2020, being \$530,507 for General Fund outlays. Capital Fund financial support for 2020 was \$171,162 which enabled all monthly mortgage payments paid on schedule and in full.

David Weisser was elected as St. Philip's new council president, and Stephanie Becken was elected as the new Serving Ministry Coordinator. Council members serving existing terms are Sadie Reiners, Vice President; Katy Lindberg, Secretary; Deborah Dreher, Treasurer; Bruce Arndtson, Communications Marketing and Technology; Abby Schultz, Learning Ministry; Marge Peterson, Worship and Music and Cindy Toppin, Personnel.

Newly elected Serving Ministries Coordinator, Stephanie Becken

STAYING CONNECTED WHILE WE'RE APART

December 2019 I joined the St. Philip's Church family. A few months after joining we all had to adapt to new restrictions

caused by Covid-19. As a new member, I truly appreciate the monumental effort that everyone at St. Philip's has made to keep our faith community together. Even with social distancing and masks, I'm very thankful for warm welcome I received since joining St. Philip's Church.

Looking for a new church home takes time and prayers. I was a member at Prince of Peace in Burnsville for 20+ years. What attracted my family to Prince of Peace was its' youth and outreach programs. I contemplated staying a member of Prince of Peace, but I wanted to join a church community where I live. In my search for a new church home I attended several churches in the Hastings area. My worship experiences helped me make my choice. My number one criteria was a congregation that welcomed everyone.

Because of a pilot's work schedule, I often work weekends. That did not stop me from attending a Sunday service, no matter where I was in the world. Here are my experiences of welcoming worship at churches in Kuwait, USA, and Fiji.

I attended a Catholic Church service in Kuwait. I had a lot of different feelings as I walked into a Christian Church in a Muslim country. The church was packed with parishioners. All the pews were full and many stood along the walls during the evening English service fulfilling the need we all shared to worship God.

In Harrisburg, Pennsylvania, I attended a Baptist Church. The church service was held in a banquet room at the hotel where I was staying. As soon as I walked in, an older lady told me to sit down and join her. She made sure I was welcomed as we worshipped together that morning. When she invited me to sit down, she shared her Bible, and she made me feel welcome in God's house. It's been years since I've been to Harrisburg but, I will never forget her kindness.

I spent Easter in Fiji at a Methodist Church. The church was the right size for a normal Sunday but on Easter it couldn't hold everyone inside. The Easter service was outdoors. There were blue plastic tarps all over the church yard for people to sit on for the evening service. A young Fijian man invited me and my friend to sit down with him on his tarp. The service was all in the Fijian language. It was interesting listening to the Easter message in another language. The congregation sang familiar Easter hymns. As I sat and listened to everyone praising God on High with song, under the starry heavens, I thought what a blessing to be a member of God's family.

This brings me back to where I am now. Why am I at St. Philip's Church? St. Philip's satisfies a shared need to worship, Pastor Geier is inviting, and the congregation is welcoming. I enjoy seeing all the families at St. Philip's. I'm looking forward this year, seeing everyone's mask-less face and connecting with my new St. Philip's friends.

This past summer I retired from Delta Airlines. I started flying when I was 15 years old. A few years after college I was hired by North Central Airlines. Because of mergers I worked for North Central, Republic, Northwest, and finally with Delta Airlines. In my 41+ year career, I've flown to small town airports where I never left the state of Wisconsin and to major metropolitan airports around the world.

I have often been asked, where is my favorite place in the world to fly to? My answer is home. There are many beautiful places in the world, but there is no place like home.

A few favorite places in the world I like to vacation at are Alaska, New Zealand, and the Grand Canyon.

Another question I'm often asked is, if I've ever had anything go wrong during a flight? Yes, I've had a few mechanical problems, passenger issues, and bad weather. Because of my training, mechanical problems have been more or less a non-event.

People caused most of the difficult issues. For example, I had to leave a crew member behind in a foreign country. A flight attendant with an initial diagnosis of having a heart attack. We had the paramedics meet the aircraft to take our crew member to the local hospital. As she was carried off the aircraft, she grabbed my hand and asked, "don't leave me here". It was tough to leaving her behind. The good news was she was able to return back to the USA after a weeklong stay in a hospital.

No, I haven't seen any UFOs.

My wife Lois and I met in college. We have been married for forty one years. We raised three girls who are all on their own living in California, Alaska, and Australia. Our oldest daughter, Lauren and her husband Mark have a 4 month old baby boy named Logan. They live in San Jose, California and both work for Apple. Our middle daughter, Leigh and her husband Andy have a 2 1/2 year old little girl named Marley. They live north of Fairbanks and both work for the Alaska Highway Department. Our youngest daughter Diana is currently living in Sydney, Australia. She is completing her second Master's degree this spring. She had previously lived in Japan and worked for the Japanese government as a community liaison.

Lois and I are retired, but work full time at our hobby farm. We had been looking for horse property for a long time before we found our current home. We wanted a place where we could take care of our 3 horses, a dog, and cat. Our Hastings home had been a horse farm at one time but, weeds, brush, and neglect had taken over. Since we moved in, I've been working non-stop to build a new stable, run-in shelters, re-doing fencing, and adding water access to the pastures. Here are pictures of our furry friends.

Greetings from the Stockman's (Earl and Kathy). We are some of the old timers around her, and it's been quite a journey let me tell you! We came to Hastings in the fall of 1967 when Earl accepted a teaching position with the Hastings School District, first teaching World History and then moving to the Middle School to teach 7th grade Geography. He retired from teaching after 33 years. Lots of good memories, but his trip to Russia with 24 students and adults was the most memorable.

Somewhere along the line he "cultivated" his interest in gardening, and that has become his spring, summer and fall passion. We begin with strawberries and asparagus and move on to new potatoes (planted on Good Friday), sweet corn, beets and other fresh vegetables, ending with squash and raspberries. Our freezer is full!

I was a stay-at-home Mom for many years and then worked as a secretary, first at St. Philip's and then at Smead Manufacturing. I retired when the grandchildren arrived so that I could help out when needed.

We first visited St. Philip's that first fall, noticing the folding chairs and the tile floor. But what I most remember from that visit was the greeting we received from Erwin and Glenda Schnirring, welcoming us to this church.

And so it began. We joined in January of 1968, our daughter Julie was baptized in May and son Bob was baptized 2 years later. Since then we've been involved in all aspects of the church from teaching Sunday School, serving on various committees (even Stewardship!) and most recently involved in Third Thursday Phil-Up, the Soup Lunch and Bake Sale, the Spaghetti Dinner and the Garage Sale. Along the way we have developed many lasting friendships with fellow members which we treasure dearly.

On Sunday morning (before and after Covid-10) you will find us at the first service, sitting in the back row. Our cup gets filled with Pastor Geier's message, the Gospel readings and the hymns. We look forward to that time when we can be together again.

Hi, we are Bernita and Bill Weber, residents of Hastings since 2006 when we downsized from a large home in south Maplewood. Hastings turned out to be a perfect place for a couple who saw retirement not too far into the future. We enjoy the quieter and slower pace than what the Twin Cities offers. But, Bernita still misses shopping opportunities, now day-trip events. Bill likely is happy for fewer shopping meccas.

It didn't take long for us to determine that St. Philip's was for us, hearing weekly the message of God's love and redemption. We found St. Philip's to be a Bible based teaching church for our spiritual nourishment. So, we transferred our membership from King of Kings in Woodbury to make our church home at St. Philip's. This church has provided Bernita opportunities to serve God in ways never anticipated...church council, HR team, nominating committee, annual garage sale (jewelry), second grade teacher, and recently sewing masks for Lutheran Social Services. Bill is a behind-the-scenes kind of guy, so he likely won't sign up for a role, but is often a willing helper if asked.

We are both officially retired from corporate careers, but we now work part time for the Big River/Hastings Bus Company. Bill as driver and Bernita as aide are paired to transport special needs kids for the South Washington school district. The work can be mentally and physically demanding, especially with the crazy schedules for return to school this year. But, they're all happy to be back in the classroom. Kids of any age will help keep one young, and working with the needs of kids is oh so rewarding.

Another plus to working as bus driver and aide is that we are free for the summers. We are free to play our favorite sport, golf; to enjoy the family lake cabin just north of Little Falls, Minnesota; and especially to spend leisure time with our three children and three grandchildren.

It will be wonderful when we all can gather together again.

Hi. My name is Patricia Schultz and I have been a member of St. Philip's almost from the beginning. When my young family moved into the neighborhood, we decided to try St. Philip's. We fell in love with the church and its members. The emphasis on community outreach spoke to us.

I was a stay-at-home Mom and volunteered lots of time at the church. Twelve years later, I returned to the workforce as a teacher in the Hastings Public Schools. I taught here for 25 years as a media specialist (or library lady) and loved it.

Travel is my passion. Currently, I keep changing the date on a trip to Sicily. My biggest adventure was a trip to Patagonia, tracing Magellan's route around the tip of South America.

I still volunteer for the entire week before our annual garage sale, enjoying the fellowship of an amazing group of committed members. I miss that connectedness now limited by Covid-19. I miss hugs and laughs and seeing friends after church. I want to hug my four grandchildren. It's been a whole year, just as it has been for all of you. But I am confident that at the end of the pandemic, we will find St. Philip's just as vital as ever.

Spring Ahead March 14

St. Philip’s Lutheran Church Columbarium

1401 15th Street West
 Hastings, MN 55033
 651-437-6541

A columbarium is a group of small compartments, or niches, designed to hold the cremated remains (cremains) of deceased loved ones. Each niche is identified by a granite faceplate inscribed with a person’s name, birth date, and death date. The Columbarium will be located east of the church building along Pleasant Drive. Phase One will have 80 niches and includes a peace garden for visiting family and friends. Three additional phases of 80 niches each will take St. Philip’s well into the future.

Eligibility

Church members, spouses or domestic partners, and family members, such as father, mother, brother sister, children, and grandchildren are eligible. Other individuals may be approved by the Columbarium Team.

3 Levels of Pricing

The pricing of the niches has been set at three levels, depending on location. All niches include two brass urns and engraving on the columbarium faceplate for up to two person’s cremains. Engraving on the two brass urns is not included. Each niche is 12x12x12 inches. Urns other than those furnished may be used in the space allowed.

Niches in Row A and Row B are \$2,500
 Niches in Row C and Row D are \$2,200
 Niches in Row E are \$1,900
