Then Jesus was led up by the Spirit into the wilderness to be tested by the devil. He fasted forty days and forty nights, and afterward he was famished.

Matthew 4:1-2

Here we find our Lord, Jesus in the wilderness being tempted by the devil. After His baptism by John the Baptist, Jesus was led by the Spirit into the wilderness to fast for forty days and forty nights. The scene is desolate and rugged, with rocky terrain and sparse vegetation surrounding them. The sun beats down relentlessly, adding to the harshness of the environment.

As Jesus fasts and prays, Satan approaches Him, seeking to tempt Him. The devil challenges Jesus to prove His divinity by turning stones into bread, to test God's protection by throwing Himself off a high point, and to worship him in exchange for all the kingdoms of the world. Jesus, however, resists each temptation by quoting scripture and reaffirming His commitment to God.

This intense encounter in the wilderness serves as a pivotal moment in Jesus' ministry, showcasing Christ's unwavering faith and resolve in the face of temptation. The struggle between good and evil is palpable in this barren landscape, as Jesus demonstrates His obedience to God's will and His victory over the temptations of the devil.

This verse recounts a crucial moment in the life of Jesus, where he shows incredible strength and resilience by fasting for 40 days and nights, despite facing intense temptation from the devil. Through this act, Jesus demonstrates his commitment to his faith and his ability to overcome worldly temptations. But what does this mean for us?

It serves as a powerful example of the importance of spiritual discipline and resisting temptation, even in the face of adversity. Jesus's example reminds us of the strength that comes from faith and the ability to overcome challenges through perseverance. It also highlights the idea that temptations are a part of life, but it is up to us to resist them and stay true to our beliefs.

So, as we reflect on this verse, let us be inspired by Jesus's unwavering faith and determination, and strive to emulate his strength in overcoming our own temptations and challenges. We can navigate through the trials that come our way and emerge stronger on the other side with faith and perseverance.

The season of Lent begins on February 18 with our Ash Wednesday service at 7 pm. This Lenten season we will be using the theme "Forty for Life". The number forty is a noteworthy number in the Scriptures. Forty will be a journeying number, a passage number, from death to life. That's why the church chose forty days for this Lenten season, this season of the death of Jesus to the life of Easter. This Lenten season we will reflect upon five different times in Scripture where the number forty is significant.

We will again be using Holden Evening Prayer at these services. Plan on making mid-week worship a part of your Lenten discipline. We will see you there!

Pastor Geier*

# Preschool Chatter

Preschoolers and their teachers are happy to be adjusting to the new year and getting back to routines. Our themes for the month were New Year's/Epiphany, snow, Biscuit books, and transportation. Some spotlight activities for the month were throwing indoor snowballs, playing with shaving cream, acting out different types of transportation and singing lots of songs. We also were able to enjoy some fun winter stories with Miss Megan - the public librarian. From the mouth of a four-year-old: "her stories were hilarious"!

Just a reminder that registration for the 2026-27 school year will begin for current preschool families as well as church members on February 10 at 8:00 am. Forms will be available on the welcome center and on our website starting Sunday, February 8. If you know someone who is not a member, but would like to join our preschool family next fall, please invite them to start dropping off registrations on the evening of February 17 between 5:30-6:30 pm or any time after that day. Word of mouth really is our best advertisement, so please share our program as much as possible. Families are always welcome to call or email us to set up private tours. Our phone number is 651-437-6541 and our email is [preschool@splchastings.org](mailto:preschool@splchastings.org). Our 2026-27 preschool sessions will run from 9 am-noon with the option of attending two days (Tue/Thurs), three days (Mon/Wed/Fri), or all five days (MTWTF) each week. Feel free to follow us on Facebook at St Philip's Preschool for more information as the registration time gets closer!

## Altar Flowers

In the past Cub Foods has been our flower arrangement source but they no longer have a florist on staff. If you would like to provide flowers for the altar on a Sunday, you can provide your own arrangement and bring it to church on Fridays (before 2 pm) or before church on Sunday. If you need a vase stop at the church and pick one up. Please let the office know if you will be providing flowers for worship so we can acknowledge that in the bulletin.

## Preschool Registration Begins

February 8 for SPLC Members and Current Students  
 February 17, 5:30-6:30 pm or any time after for the community

## Adult Forums for February

The Adult Spiritual Growth team strongly encourages all congregation members to attend the annual meeting on February 1. There will be no adult forum following worship service that day.

For the rest of February, we will offer a series of forums on the church's work in Tanzania. On February 8, Jennie Thomas or guest will provide an overview of the St. Paul Synod's mission in Tanzania and our sister diocese in Iringa. On February 15, we will take a break when Krista Lind, deacon and assistant to Bishop Lull, will speak generally on her work in the church.

Jim Dontje and Laura Lindell have done community development work in agriculture, water supply and education in Burkina Faso, (in West Africa); Papua, Indonesia; and Rwanda (in Central Africa). In the US, Jim worked on environmental sustainability and education at Berea College in Kentucky and Gustavus Adolphus College in St. Peter, Minnesota, while Laura taught English language learners in the St. Paul and LeSueur-Henderson school districts. Since retirement, they have been living in Tanga, Tanzania, where Laura spent the early years of her life. They will share some about life in Tanga and their perspective on Tanzania's strengths and challenges. Jim will also talk about his volunteer work with an agricultural NGO on solar food drying and micro-irrigation.

Our series on Tanzania will continue into March when Kirsten Levorson, director of Bega Kwa Bega, joins us March 1. Other speakers are planned for additional forums in March. Stay tuned!

## Annual Meeting

**FEBRUARY 1, 2026 at 10:45 am**

ANNUAL MEETING WILL AGAIN BE BOTH IN-PERSON and VIA ZOOM.

On Sunday, February 1 at 10:45 am, St. Philip's Lutheran Church will conduct our congregation's annual meeting. At this meeting we will accept reports from our staff ministry team and lay ministry team leaders, vote on lay leadership for the coming year and approve a budget. We will also be voting on how to distribute our tithe of miscellaneous income between various local and broader ministries.

There will again be an option to participate via Zoom. This was made possible by a council action in 2021 due to the COVID-19 pandemic and then a later change to our constitution. There will also be opportunities to discuss the budget on the Sunday prior to the annual meeting through Zoom meetings as well.

We will still need a quorum to complete these important matters and we anticipate that everything should take less than an hour, so please plan on participating. Like in previous years we will keep record of all those participating.

Click the Annual Meeting Zoom Link on our church website ([www.splchastings.org](http://www.splchastings.org)) or type in the link: <https://us02web.zoom.us/j/85849404447>.

**Annual Meeting Childcare** - To ensure we have enough supervision and activities to appropriately match children's ages please RSVP to Becky Kaphing by January 28.

## Annual Meeting Potluck

St. Philip's annual business meeting will be held on Sunday, February 1 at 10:45 with a potluck lunch to follow. Beverages and dinnerware will be provided.

To have a variety of dishes, those planning to share in the potluck lunch are asked to bring something according to the following guidelines. (But if you have a favorite dish, you're welcome to bring that). Foods may be dropped off at the kitchen before or after the service. Questions about the Potluck can be addressed to Camille Nelson, Fellowship Ministry Chair.

## **Stewardship Bits**

Here we go into 2026 under the campaign theme, “Rooted in Gratitude, Growing in Faith”. I can’t hold your attention with just that and I know it, but as Stewardship chair, I have seen the ‘time and talent’ forms be returned as never before. Seventy-eight forms with often two people on the form have said what they would be ready to do if asked.

I looked a little further into the campaign’s results and those who do the tabulating have told me that giving to the General Fund and to the Mortgage Fund are both up from last year! How great is that? Our church mortgage has tumbled down to \$1,530,000 from its start point of \$2.7MM. Praise God, for being “rooted in gratitude” people who see and feel God’s work in your respective lives. Let’s all also lean into “growing our faith”, by taking part in adult education opportunities and the Sunday morning adult education class after worship. They are very enlightening. Thank you again, fellow members, for being on our productive journey together.

## Lista Klocow

### Twenty-four Years of Service to St. Philip's Lutheran Church!

Lista Klocow began being St. Philip's office manager 24 years ago. Coming through a temp agency in May of 2002, she moved on to staff status in six months. Pastor Ed Frederick was the pastor. Other pastors Lista served with were Leslie Fox, David Wrightsman, and since 2015, Gregory Geier. Interim pastoral care during Lista's time were Dana Peterson, Gordon Gathright, and Ralph Olsen. Her first fellow staff members were Noreen Swanson, Ruth Bloom, Lori Best, Ellen Diischer, Kathy Wolpers, Diane Keller, Barb Jorenby, Mary Ellen Fox, Sandi Hamman and Heidi Nelson.

In 2006, Lista was given a two-month medical leave to address the onset of breast cancer. She recalls the strong support of the congregation, through visits on her porch, and many cards assuring her their prayers for a full recovery.

When asked about an exciting time, Lista recalls the 2012-13, building expansion. The drama of the St. Philip's reaching that point in its growth included Lista's everyday attention. The nuances of building on a site where nothing is cancelled and a school is in session, took prudent coordination. Lista served as the prime conduit between the Building Superintendent, the building co-chair, Steve Henrichs, and the entire staff. She recalls the heavy equipment lifting pieces of the parking lot outside her window and with emotion, witnessing the lifting of the cross on the building's highest point.

Lista has religiously supported every ministry team with last minute requests to help them thrive. The twenty SPLC Garage/Plant Sales were greatly aided by her "signage on request" presence during set-up week. Public events and internal meetings were scheduled by Lista with a fine eye for which room would serve the event best. SPLC volunteers and staff will miss the excellence of Lista's skills and care for the needs of everyone.

It's the congregation's wish that Lista's retirement will be a time of joy and good health. Its collective memories and the cultivation of friendship and good will that prevailed is the legacy she leaves.

May God hold Lista in His almighty care.

## Thank You Educators

Are you an educator who works with the littles, bigs and in between? (Educator includes a variety of school roles). Whether you work in a public school, private school, day care, university, or our church, we would like to thank you! On February 1 and 8, please stop by the greeter desk at church for a bag of goodies. Your tireless efforts bring light to our communities and we are grateful!

## VBS Save the Date!

You definitely want to get July 13-16 on your calendar now for our annual vacation bible school. This is such a wonderful event for children of our church and also the community of Hastings. The children and volunteers alike get so much out of the week. If you have any interest in helping with pre-planning, please reach out to Becky Kaphing. Otherwise stay tuned for more information including what this year's awesome theme will be.

## Pot Luck and Valentine Craft Night

Help us to share the love with our congregation! On Friday, February 13 from 5:30-7:30 pm we will be having a potluck and Valentine craft night. The goal of the event would be to create some fun projects to hand out on Sunday morning. Please note that our family events are for all families. If you have young children that might not be into crafting, we still encourage you to join us. (we can grab some toys and let littles play) These events are a great way to meet other young families in our church and make connections. Please sign up for the event on the children's ministry board or email Becky.

## Summer Camp

We have had some interest in attending Camp Wapo (Wapo Youth, for students in 4<sup>th</sup>-9<sup>th</sup> grades) this year. We currently have a small group planning to attend the week of July 26 - 31. Please note that there will be no St. Philip's staff attending camp. Camperships are available to help with the cost of tuition. If you are interested in this opportunity, scan the QR code to connect with other parents and receive the link for early registration (spots are limited). For more information about the camp, visit [lakewapo.org](http://lakewapo.org).

## Youth Ministries Update

### Middle School

On January 11, fourteen Middle School students came together for an evening of games and fun! The kids had fun hanging out in the Youth Room with friends and playing a variety of games throughout the evening.

**The next Middle School** event will be on Saturday, February 7 from 2-4 pm. Students will be making valentines and playing games.

## High School

On December 21, nine High School students attended our Christmas Party. It was a busy night with decorating cookies, a white elephant gift exchange and games. On January 24, the group volunteered at Feed My Starving Children. Check the March newsletter for pictures!

## Keeping Connected

Hello, St. Philip's! It's been about five or so years since we provided a story for the column and boy things have changed! Adam and I celebrated our 25<sup>th</sup> wedding anniversary this past summer and took a wonderful trip to London, Paris, Rome, and Venice. It was our first time traveling out of the country and we had a lot of fun. We both continue to work for the State of Minnesota - Adam as an IT Director for Minnesota State Colleges and Universities and Andi as a Policy and Administrative Rules Coordinator for the Department of Transportation. We joined CrossFit HSC a little over four years ago and have made a lot of new friends at the gym. We also both continue to enjoy mountain biking, traveling, spending time together, and supporting our kids as they grow and thrive.

learned a lot about the legal process from Molly lately! After graduating from Duluth, Molly joined the CrossFit gym with Adam and I and recently began teaching CrossFit Kids on Mondays and Wednesdays.

Nathan graduated from high school in the spring of 2025 and headed off to college at Minnesota State Mankato this past fall to pursue a degree in Musical Theater Performance. He had a fantastic first semester and was kept very busy performing in the musical, *Oklahoma*, working as a scare actor at a haunted house, choreographing for the university acapella group (like in the movie *Pitch Perfect*), and doing stage readings. He was also one of two freshmen cast in a winter production and will be performing in *The Cherry Orchard* in February. Last summer he worked as a camp counselor at Camp Spring Lake. He really enjoyed working with the kids - particularly doing high ropes camp. He's looking forward to working there again this summer.

We wish you all a blessed 2026!

*Adam, Andi, Ellie, Molly and Nathan Barker*

Ellie graduated from Winona State in the spring of 2023 and worked as a Special Education Paraprofessional in the Wayzata School District for two years. They returned to Winona this past fall to pursue a second bachelor's degree in Therapeutic Recreation. They will graduate in the spring of 2027 and are looking forward to moving back to the Twin Cities. Since graduating the first time, Ellie has enjoyed traveling all over the world. In the last couple of years they have been to Australia, New Zealand, hiking in the Swiss Alps, Iceland, Ecuador, and the Galapagos Islands, plus the East Coast to visit friends. They have met some wonderful friends traveling and are planning another trip to Kenya this summer with one of their travel buddies.

Molly graduated from University of Minnesota - Duluth in the spring of 2024 with a degree in Political Science and is now in her second year of law school at Mitchell Hamline. Over the summer, she worked in the Chief Counsel's Office at the Department of Transportation and volunteered at a family law firm in Hastings, which she really enjoyed. She is now a Certified Student Attorney working at Dakota County in the prosecutor's office. She represents the county in court at the in-custody bail hearings several days a week. We have
